Choir

School choir will relaunch in January under the direction of Benjamin Scott, a local professional musician. The children sang beautifully at the carol service this week and we would love to see more pupils involved for local/school events.

Choir is available for all children in KS2 (no audition required). KS1 children who are interested in joining the choir will need to go through a small informal audition with Ben first. If you were a KS1-age member of Wingham Young Voices, then you're automatically allowed in without auditioning!

The cost of this club is £5 a week, get in touch with Ben to find out more. 07746 281290 or benjaminscott1992@icloud.com

Events:

We have had a very busy and successful term with lots of enrichment activities to enhance children's learning. Year 3 have visited the Museum of Kent Life for a 'Stone-Age' experience, Year 6 had a first-aid day and Year 4 and 5 have had 'K'Nex' and Robotics workshops. We have held a very successful Book fair and we participated in the national anti-bullying week with special lessons and assemblies. Year 6 put on a wonderful Remembrance assembly and, thanks to all of you, we had an amazing Remembrance display in the school hall and foyer. We raised £55.68 for the Poppy appeal and £327.94 for Children in Need – well done everyone!

Christmas Performances

Those of you who were lucky enough to see the Infant Christmas plays will no doubt, like me, want to congratulate all the children and the adults involved for two really fabulous productions. This year, we had 'Angel Express' from the Barn Owls in the Reception class and 'Prickly Hay' from years 1 and 2. It always amazes me that the children can manage to produce such wonderful performances with only two weeks of practice and it is lovely to see how much they all enjoy the experience.

Christmas Service

Thank-you also, to all the children (and the adults who worked so hard with them) for their brilliant performances in this year's Carol Service. It was a very happy, festive occasion and everyone spoke, sang and played brilliantly.

PTFA

The PTFA have worked tirelessly this term to support us in so many ways. They have served refreshments at the Infant plays, organised the Craft Fair and Christmas raffle (which was a huge success) and run the Christmas Bazaar, which, as always,

was thoroughly enjoyed by the children. Then, on top of all that, they held the Christmas Chill Film Night to round off the term's activities. We are very grateful to them for all the fund-raising they do. **Thank-you**

Our Christmas Jumper Day

This was another successful event that raised £171 for 'Save the Children'. Thank you everybody for your fantastic efforts. It looked fabulous seeing all the children and adults together in assembly and during Christmas lunch. It was also very informative to have a visit from a 'Save the Children' representative before the Dress-up day. This meant that the children understood how their money was going to help others who are far less fortunate than ourselves.

Sport

On Friday December 7th, a group of children from year 5 and 6 and a group of children from year 3 and 4, travelled to Dover Leisure centre for an Indoor Athletics Competition. They competed against other local schools in a range of field and track events with every child competing in three or four events each. They all did very well. They enjoyed competing against other children in the area and finished mid-table, which was very commendable as we hadn't prepared for the competition with any specific training. Well done to everyone and thank-you to Mrs McCorry and Mrs. Murrum for organising our teams and cheering them on to success.

All children in key stage 2 are given the opportunity to join an after-school football club and to play competitively whenever possible. Thanks to Mr. Woolliscroft, the girls and boys teams have played regularly in Cup and League matches this term. We have also taken part in a year 4 Football Festival at the Goodwin Academy.

Website: Mrs.Blench has recently updated the class pages to include photographs from this term. Perhaps you would like to take some time to look at these with your children over the Christmas holiday. They will help you to get an idea of all the exciting things we have done so far this year.

Notice boards: The notice boards outside the entrance to the playground and the entrance to the Reception class are updated every Monday. Information about clubs and events for the coming week can always be found there so please look regularly.
