## w/b 10th February 2025

### A message from the Head of School to Parents...

This week have been learning about Global Citizenship

**Global citizenship** is the idea that people are citizens of the world and have responsibilities to each other and the planet. It's about understanding the world, diverse cultures, and how to work together to create a better world.

We have learnt about concepts such as "rich" and "poor", the origins of food, how we can make a difference. We have compared and contrasted our lives with others in other countries and developed feelings of responsibility towards our world. Today we invited MP Sir Roger Gale into school to showcase our learning. Please ask the children what they have learnt this week, they have all been inspired and captivated by the topic.

Reception enjoying breakfast from around the world.
