

at home.

Use your FLOURISH skills at home to create a masterpiece of your learning. Choose one task from the grid below.

Term 1:		
I enjoy writing creatively	Write your own adventure for Bradley from 'The Astronaut's Apprentice'.	Invent your own "Space Quiz" with questions and answers.
I enjoy learning about the world (geography, history, RE, languages)	Find out facts about space missions (Apollo, Sputnik, Luna, Mercury). Choose how to present what you have learnt.	Where in the world? Research different space programs from around the world (NASA, Russia, China, Europe, Space X).
I enjoy using technology	Using "Scratch" to design a space game or story about space.	Photograph the night sky over a period of time and present findings. You can download an app to help you recognise stars and constellations.
I enjoy being creative	Create and make your own "Top Trumps" space cards (planets, stars, moons).	Design and create an alien mask or draw/paint a picture of an alien.
I enjoy being practical	Make an orbiting model creating items such as alien/rocket to go round a planet.	Make a model rocket or design and make your own space colony.

Your FLOURISH at home needs to be in school the week beginning **Monday 21st October 2024**. It will be shared😊 and celebrated😊.

Happy Creating 😊
