

Wingham Primary School

w/b 13th January 2025

A message from the Head of School to Parents...

Welcome back and happy new year!

It has been a wonderful beginning to term with everyone starting the term with lots of energy and enthusiasm.

On Tuesday Mr Wilson organised a musical assembly for us where Mrs McCornyn and her family performed for the school and the children learnt about string instruments. A big well done to Toby for playing the cello in front of the whole school!

Car parking

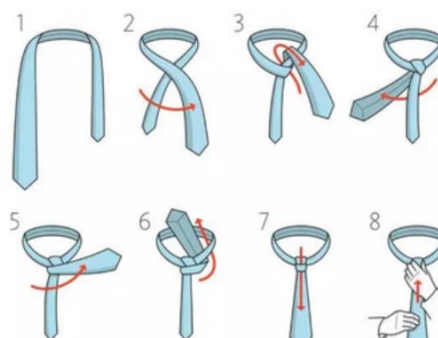

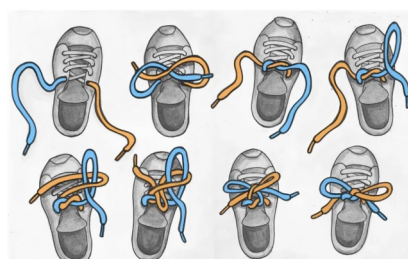

Thank you to the park and striders 1 x week. The children are really enjoying tracking their walks to school and receiving the badges. This is helping relieve congestion in the village hall carpark.

Please keep the staff carpark clear when parking. This area between 8.00am and 4.30pm is for staff parking only.

We are always encouraging children to develop their independence. One of life's great skills is tying your shoe laces. We like this [Blippi clip on YouTube](#)

One for the Year 6's!!

Key Dates

January

15th—Reception visit to Leeds Castle

17th—Year 4 Swimming

20th—Reception—NHS Nurses checking Hearing, Height and Weight
