

Wingham Primary School

W/b 5th February 2024

A message from the Head of School to Parents...

What an amazing start to the week!!

Year 5 went to the O2 arena to sing alongside 9,000 other children in the Young Voices choir. They sang and danced wonderfully and it was such a brilliant night. The children spent to day rehearsing and then were joined by their families, who I know thoroughly enjoyed the concert.

Chinese New Year

Reception class are learning about Chinese New Year and have been making Chinese dragons this week and reading The River Race in literacy.

On Monday and Tuesday Reception class will be selling fortune cookies in the main playground after school—50p.

Medication

There are lots of things going about at the moment and lots of medication being given at school. Alongside being a busy school we always endeavour to give this medication at a precise time and if this is not possible will at the earliest possible opportunity.

Early Collection for appointments

Every minute of the school day is valuable learning time so while it cant always be helped we urge families to make appointments outside of the school day so they are not missing their lessons.

Finally we have been having some discussion about Roblox this week in some classes and some children spoke about the chat function and talking to people they don't know. We have revisited e-safety themes and functions to stop that being an option on the game.

Wishing everyone a happy weekend. Ms Douglas
