

### A message from the Head of School to Parents...

We wanted to say a **HUGE** thank you to our amazing PTFA for organising the forest school tidy up. It is looking fantastic and we have been donated some wonderful resources to further enhance the area. We are extending the space, creating more space for a shelter building and also moving our raised beds into the sun so we can grow produce more effectively.

Please don't forget to bring in **home learning** tasks. These will be celebrated next week and displayed around the school. Children who have returned projects will be entered into our book voucher raffle.

**External Sports Clubs:** We have put posters up in our red notice board for some local sporting clubs our children can attend. Well worth a look!

**Parent consultations:** Unless it is raining next week there will be tables in the playground to sign up for your child's meeting. Sign up sheet will be available at Breakfast Club and CASH (school entrance).

**Clubs:** Clubs sign up sheets will go out next week. Clubs will start Week 1 after the holiday. **If you are in receipt of Free School Meals there is no cost to clubs.**

**Please remember to tell the school if someone different is collecting your children.**

The carpark area by the school office is strictly for school staff and families that need access to disabled parking only.

From next week our school gates will be open after school for you to park and collect from CASH or clubs. Please only use the carpark nearest the gates you drive through and NOT the staff carpark outside the school office.

Next term Y1's topic is based around the Gruffalo.

Miss Gibbon's has asked if you have any pre-loved books, toys, dressing up costumes, games or any other Julia Donaldson bits and pieces we would love to use them at school.

Thank you.

### Upcoming Events
