

### A message from the Head of School to Parents...

On Wednesday the children watched a magic show where they explored what anti-bullying means to them. The magician linked the learning to our school values and talked about being respectful.

We are really proud the way the children communicated their thoughts and feelings this week.

I would like to remind you if your child wants to participate in creating a Snowman for Elgar's Christmas window display this needs to be brought into school by the **1st December**.

Dame Rachel de Souza  
Children's Commissioner for England

We have been contacted to share details of the national campaign The Big Ambition. The Children's Commissioner for England, Dame Rachel de Souza, has launched **The Big Ambition**, a national survey of children and young people across England.

**The Big Ambition** aims to hear from children across England on what they think is important! In the lead up to the next General Election, the Children's Commissioner wants to take children's thoughts, opinions and ideas to decision-makers, to make sure that the Government hears young people's voices on what they think needs to be done to make children's lives better in England.

Children or parents can complete the survey here:
