

A message from the Head of School to Parents...

It is beginning to feel Christmassy at school. The children in Reception and KS1 are busy rehearsing for their performances and we will begin to decorate the school next week.

It has been a full on week with swimming, football matches, walks around the village and Y3 visiting Kent Life.

Here is Year 2 on their walk in Wingham yesterday seeing if a dinosaur could live here. They concluded although there was some meat in the form of humans, dogs and ducks, Wingham would best suit a herbivore.

Both football teams played well yesterday, one team getting through to the next round despite playing against a quite physical team and the other holding their own against a strong team. Well done to everyone and thank you to the adults that took the children to the match.

Exploring E-Safety at home

Resource - Primary and Parents - Lego Build and Talk

Lego, makers of those plastic bricks that really hurt when you step on them, have created some wonderful activities for children aged 6-9 years which we think would be very useful for parents. There are six different topics which are designed to help children navigate the online world safely, including conversation starters. The topics include cyber bullying, screen time, false information and others. All the activities and resources are free. See [HERE](#) for further information.

Wishing everyone a lovely weekend. Ms Douglas
