

A message from the Head of School to Parents...

Dogs - Important notice

From next week, Monday 21st October, there will be **no dogs** allowed on school site, from the top school electric gate. We have made this decision due to our school dog Floss working and doing an important role on the school gate and other dogs are a distraction for him, possibly causing an accident. We recognise that dogs are an important part of family life for many in the school community, and as such are often included in day to day activities such as walking children to and from school. However, even well behaved dogs can behave unpredictably when placed in a busy, noisy and crowded environment.

Therefore school policy is that no dogs are allowed on school premises (**either on a lead or carried**). We would appreciate your co-operation by not bringing your pet to school.

A huge well done to Leo Y4 for coming second in the Home Pride drawing competition. You are a very talented artist!

Parent consultations: Booking sheets will kept in the library from Monday 21st October. Please make sure you write your appointment down so you know when your allocated time is.

Fizz Pop Science (new content): If you would like your child to take part in Fizz Pop science after the holidays, please sign up following the information in the email that was sent to you.

Disco Next Week: Children will arrive to the disco though the playground so there isn't a CASH clash when they are dismissing. After the disco you will collect your children via the front entrance and leave though the playground.

Spare Clothes: If you are having a sort out and have any outgrown school trousers, skirts, underwear or tracksuit bottoms aged 7+ we would very much appreciate them.

Thank you.

Ms Douglas
