

at home.

Use your FLOURISH skills at home to create a masterpiece of your learning. Choose one task from the grid below.

Term 1: How has transport changed the world?		
I enjoy writing creatively	Choose a vehicle of any type to investigate. "Present" your findings in your chosen style.	Create a poem of any kind about a journey, travel or transport.
I enjoy learning about the world (geography, history, RE, languages)	Visit a transport museum or take a trip on a train and write a report about your visit with photos, leaflets etc.	Find out about the destinations of the Orient Express. Choose one and create a factsheet.
I enjoy using technology	Make an advertisement for a journey by plane to a chosen destination.	Using "Sketch" or another computer-generated program, design a new vehicle.
I enjoy being creative	Research the artist 'Turner' (discover local links). Create a picture in Turner's style.	Investigate as many road signs as you can. Photograph then sketch them. (Know what they mean!) You could use the Highway Code
I enjoy being practical	Make a model boat/ship. Test out whether it can float!	Design a travel/transport board game.

Your FLOURISH at home needs to be in school the week beginning **Monday 13th October 2025**. It will be shared 😊 and celebrated 😊.

Happy Creating 😊
