

A message from the Head of School to Parents...

Well done to everyone for such a wonderful half term of learning! You can read about your children's learning experiences and see pictures on our [school website](#).

Today we [showed racism the red card!!](#)

Cultural Diversity Week W/B 27th October

“Why do some people or animals move from one country to another, and what are some reasons they might decide to live in a new place?”

We will be:

- Exploring migration and borders
- Recognising the courage, fear, uncertainty that many displaced people face
- Developing an understanding that migration is complex, and while it may involve danger, it's often driven by the hope for safety and a better life

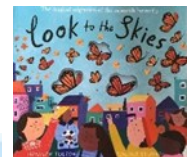

Books

Year R and 1 **Look up to the Skies** (animal migration) by Nicola Edwards

Year 2 and 3 **Lubna and Pebble** by Wendy Meddor

Year 4 and 5 **To the other side** by Erika Meza

Year 6 **A different pond** by Bio Phi
