

Wingham Primary School

w/b 17th November 2025

A message from the Head of School to Parents...

Anti-bullying week

In assembly on Monday we spoke about bullying and how it may happen at schools or even when you are a grown up at work. We explored what bullying meant “repeated, again and again”.

The children shared what they could do if they felt bullying was occurring for example: tell their family, teacher, TA, write it in the problem box... We are proud to celebrate everyone as individuals (hence the odd sock day) and our school values demonstrate this. Bullying is not welcome at here.

CAKE!!!!... after school today. All homemade cakes 50p.

Congratulations to everyone who was awarded a certificate for their progress and achievements on TTRS and Emille. The teachers have been looking at your scores and you have done so well!

Wednesday 26th Nov

KS1 Zootropolis

KS2 Minecraft

3.20pm—5.00pm

£2.50 Parent Pay

Popcorn and drinks

If you are able to help—please can you email the school office

Applauding your achievements outside of school..

When Orion (Y3) was younger he was poorly and needed an operation. Now he is older he wanted to do something to thank East Kent hospitals so he has organised a charity football match.

Orion told us about it in School Council this week. If you want to support and donate, here is the <https://www.justgiving.com/page/steven-clear-1>

Let us know if you are doing something wonderful to help the wider community and we will always share and celebrate!
