

Wingham Primary School

w/b 24th November 2025

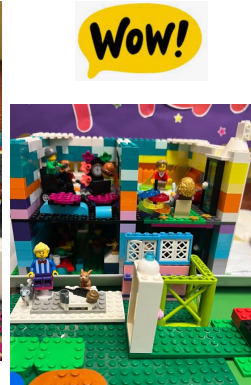

A message from the Head of School to Parents...

A school for everyone—Lego designs

Everyone who designed a school had a chance to present their designs today. They were thoughtful and creative and it was amazing to see how much the children thought about our school values in their designs. Spaces for cooking, outside learning, relaxing and having fun were most seen in the designs.

Wow!
