

### A message from the Head of School to Parents...

#### Times tables

Times tables are important because they help you **do math quickly and easily**.

When you know them, you can solve problems faster, understand division and fractions better, and handle everyday tasks like shopping, sharing things, or telling time without getting stuck.

Do you remember driving in the car on the way to school listening to the times table CD? Just 5 minutes a day practising times tables can make a big difference to your child's fluency and confidence in maths.

Children achievements in TTRS are celebrated on a Friday in assembly.

**Winning the gold medal for children's sports classes**

We take what children love to do the most (running super fast, jumping high and throwing far) and mix it with imaginative themes, learning to follow instructions, making friends, developing skills and burning energy!

**Teeny Athletes**  
Walking - 2 Years

**Didee Athletes**  
2 - 3½ Years

**Little Athletes**  
3½ - 5 Years

**Mini Athletes**  
5 - 7 Years

Scan for your child's lifelong love of being active!
