

A message from the Head of School to Parents...

**I know that I am not addressing the majority*

*Please keep your speed very slow when driving up school lane.

- If you are running late, your children are safe in school—there is no need to rush
- Children walk to and from school by themselves and are not as street wise as the adults driving cars—we need to look out for them

Car Park

Firstly, thank you to those who are continuously courteous in the carpark. But it saddens me that Miss Burke is experiencing difficult interactions at the end of the school day. Miss Burke is out in the carpark to help our families so the use of the village hall carpark can continue. Difficult interactions will not be tolerated and this role is already far beyond a teachers/ TA's school duties. We are going to monitor her role for the rest of the month and will review and decide if this is something we can continue.

Should this not be viable and our staff members are still coming away feeling uncomfortable our carpark will be closed for overspill parking and turning and all parking will need to be managed independently from the school.

Thank you and I hope collectively everyone wants to work together.

Global Citizenship

Global citizenship is the term for social, environmental, and economic actions of individuals and communities who recognise that every person is a citizen of the world.
