

Wingham Primary School

W/B 30th March 2026

A message from the Head of School to Parents

Next week **Wednesday 1st April** we invite the children to come into school in non-uniform in return for an Easter egg, chocolates or sweets for our tombola at our Stay and Play afternoon. Thank you for your support. Once you have collected your child make your way to the school field where there will be Easter activities. Siblings are welcome to join in too!

E- Safety information sharing— New YouTube Feature

One of the most common concerns from parents when it comes to YouTube is the lack of parental management features, in other words the videos their children can and should not see. Many parents don't know that there are features within both the main YouTube app and the YouTube Kids app.

But Google have now released another feature, specifically this allows a parent to set up a Supervised Experience account on the parents device. This is important because many younger children will watch YouTube videos on their parents device, where it is likely there are no restrictions in place. So this new feature is a welcome addition.

To tie all these features together I have produced an article explaining Supervised Experience (on the main YouTube app) and Parent Allow listing (on the YouTube Kids app)
