

at home.

Use your FLOURISH skills at home to create a masterpiece of your learning. Choose one task from the grid below.

Term 5: Does Farming Matter?		
I enjoy writing creatively	Make a farming fact book.	Create your own story about animals on a farm and write a book. Can you include any pop-up parts?
I enjoy learning about the world (geography, history, RE, languages)	Choose 5 fruits and 5 vegetables which grow in other countries. Create a map to show where each one grows. Can you try tasting any of them?	Create a PowerPoint presentation or video to show farming in the past and farming in the present.
I enjoy using technology	Make a food diary of your week with photographs of some of the meals you ate. Where did your food come from?	Go for a walk in your local area. Take pictures of the things you see growing and present them in some way. Label each plant that you identify.
I enjoy being creative	Draw or paint a picture of a farm- which animals will you include?	Create an observational drawing or painting of a flower or tree.
I enjoy being practical	Follow a recipe to make a healthy meal. Write the recipe or photograph your meal.	Use clay or plasticine to make a model of a farm animal.... Maybe you can even create a whole farm!

Your FLOURISH at home needs to be in school the week beginning **Monday 8<sup>th</sup> June 2026**. It will be shared 😊 and celebrated 😊.

Happy Creating 😊

**Respect Inclusive Creative Hardworking**
