Use your FLOURISH skills at home to create a masterpiece of your learning. Choose one task from the grid below.

Term 5 & 6: Would you rather live in ancient or modern Greece?		
I enjoy writing creatively	Choose a Greek god or goddess. Find out about him or her and then make up a new adventure for your chosen god or goddess.	Write a story about a holiday on a Greek Island. Your story can be about anything you like but make sure the setting is described really well.
I enjoy learning about the world (geography, history, RE, languages)	Investigate the Greek alphabet and language. Write down and learn to say some well-used words or phrases including hello, goodbye, please and thank-you.	Find out about a volcanic Greek island. Create a fact file about volcanoes and include some pictures and diagrams.
I enjoy using technology	Create your own 'Greek Islands' painting. Google "Greek Islands" to find images which might give you ideas. Explore the internet safely with a parent/carer.	Research some of the main industries in Greece, e.g., olive oil and wine. Create a PowerPoint to show how they are made.
I enjoy being creative	Use a search engine to investigate sgraffito for children! Use this technique with wax crayon to create an Ancient Greek picture. Explore the internet safely with a parent/carer.	Use modelling material to create an 'Ancient Greek vase'. Decorate it with an Ancient Greek story or pattern.
I enjoy being practical	Cook a typical Greek dish. Bring it into school or photographs of it instead.	Create a model of a Greek temple.
