

at home.

Use your FLOURISH skills at home to create a masterpiece of your learning. Choose one task from the grid below.

Term 5: What have the Romans ever done for us?		
I enjoy writing creatively	Write a story, poem, discussion, newspaper report or comic about being a Briton during the invasion by the Romans. Who are you? What happened?	Create a brochure of a local Roman historical site that will persuade me to visit (Reculver, Dover, Walmer, Deal or Rochester castle, the Roman House in Canterbury or the Richborough Roman Fort.)
I enjoy learning about the world (geography, history, RE, languages)	Learn some Latin phrases! Are there any Latin phrases or words that we still use today?	Explore the Roman heroes and gods and then invent your own. What powers will they have? What will people worship them for?
I enjoy using technology	Create a stop motion film linking to the Romans. It could be about the invasion of Briton, a gladiator battle or one of the Roman myths that we have read in class.	Visit and make a photography collage of Roman architecture and ruins. What makes these buildings Roman?
I enjoy being creative	Paint a scene linking to a Roman theme. It could be the invasion of Briton, a famous person (Caesar, Caligula) or a scene from your own story.	Create a Roman shield or weapon decorated in a way that would intimidate your enemies!
I enjoy being practical	Write lyrics to a song about a Roman emperor (Horrible Histories style).	Can you research and make your own Roman food? What food did the Romans introduce to Briton?
