

at home.

Use your FLOURISH skills at home to create a masterpiece of your learning. Choose one task from the grid below.

Term 5: Evolution – Where are we going?		
I enjoy writing creatively	Write a diary entry in role as Charles Darwin about a discovery you have made.	Write a speech in the role of the Prime Minister about your intention to legalise graffiti.
I enjoy learning about the world (geography, history, RE, languages)	Compare the work of a US pop artist and a British pop artist from the 1960s.	You are a tour guide at a museum in the year 2520. The next exhibition is all about the year 2020. Present your ideas (what will people look at and learn?)
I enjoy using technology	Create your own graffiti tag and use it to make a piece of graffiti on www.graffiticreator.net	Create a video news report about a marvellous discovery linked to evolution.
I enjoy being creative	Create your own Banksy style piece of graffiti.	Compose a song about the 'Big Bang'.
I enjoy being practical	Create an annotated drawing of what you think man will look like in a million years.	Make a stencil for a piece of street art.

Your FLOURISH at home needs to be in school the week beginning **Monday 8th June 2026**. It will be shared 😊 and celebrated 😊.

Happy Creating 😊
