

### A message from the Head of School to Parents

#### Year 6 SATs Week – Well Done!

We would like to say a huge well done to our Year 6 for completing their SATs assessments this week. They have approached the week with determination, resilience and a positive attitude and we are incredibly proud of each and every one of them.

The children have worked very hard in the lead-up to these assessments and it has been wonderful to see their confidence and maturity shine through. They truly rose to the challenge and represented the school brilliantly.

Thank you also to parents for your continued support and to our staff team for their dedication in preparing and supporting the children throughout.

Spelling practice/ homework

Each week the teachers put spelling onto Emille for the children to practice. Spelling continue to be a focus for our children.

We have seen a real dip in engagement so this is just a reminder!
