

A message from the Head of School to Parents...

We would all like to welcome everyone back after the summer holiday and say a very warm hello to our new families who have joined the school.

We have seen so many of the children dive straight back in and some steadily finding their feet, it has been a great first week.

Back to school reminders and info:

- School and lessons start at 8.50am
- Please book meals in advance, we are a small school so only cater for the numbers booked
- Unless you have already told us we assume you require the same days for CASH Club as you had last term and charges will be made for these booked sessions. Please notify the office if days have changed this term

Finally, I would also like to share my thanks to the families who shared such wonderful cards and generous gifts at the end of term. These gestures are never expected, but they mean a great deal to myself and the staff and are truly appreciated.

Parent communication

Our teachers are here at the end of the day if you would like to chat, they are your first port of call.

If there is anything SEN focused, please come and see me initially but we have welcomed Mrs Beard this term (who is part of our inclusion offer), and it may be her you liaise with moving forward.

Welcome Mrs Beard!
