

Wingham Primary School

W/B 28th September 2026

A message from the Head of School to Parents...

Year 1 took the bus into Canterbury this week to take part in a toy workshop at the museum. Thank you to our parent volunteers.

We were so proud when people on the bus and in Canterbury said how wonderfully behaved the children were on their visit this week. Well done!

Dover Family Hub

The hubs serve expectant parents, families, and young people from newborns up to 19 years old (or 25 years old for individuals with special educational needs and disabilities, SEND). Key services include:

- **Early Years & Wellbeing:** Drop-in Stay & Play sessions, baby groups, and baby massage.
- **Parenting Support:** Courses ranging from pregnancy to the teenage years, including the Togetherness parenting programme.
- **Health & Infant Feeding:** Midwives, health visitor clinics, breastfeeding support, and baby first aid.
- **Learning & Development:** Language support programs like Little Talkers and The Communication Tree.
- **SEND Support:** Tailored groups, including Time to Shine sessions for neurodiverse children.
- **Everyday Support:** Advice covering mental health, relationships, and cost-of-living assistance.

Sustainable travel

We continue to promote parking and striding but why not.. Car Share: This option can be a really good solution for combatting congestion and the issue of “responsible parking” around schools; with more children travelling to school in less cars, there could be up to 3 cars less on the road for every “car share”. Your children also get a good chin-wag in before school starts and you know that they have all got to school together on time.

Something to float in your WhatsApp groups?

Homework

We are reviewing our homework offer..
Please tell us what you think:
