

Wingham Primary School

W/B 22nd September 2025

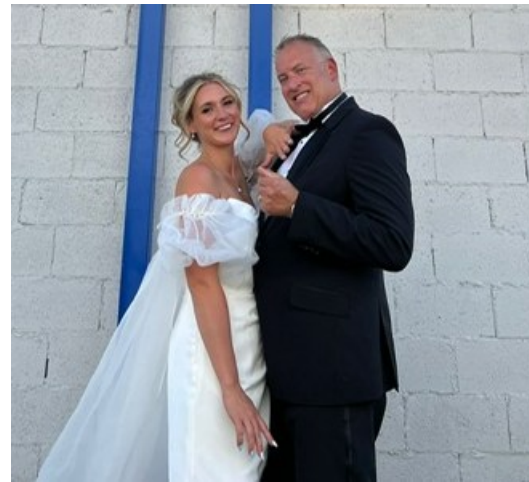

A message from the Head of School to Parents...

European Day of Languages

Next Friday (26th) is European day of languages and we will be immersing ourselves in all things Spanish to kick off our new language that we have started learning in our modern languages lessons. Children can come to school dressed in Spanish Country speaking clothes, flag colours, flamenco dresses, Spanish football kits etc. School dinners will also have a Spanish theme including paella, Spanish omelette and churros for pudding. The children will be put into groups and travel around to different classes and take part in a variety of Spanish activities.

To help with one of the activities, please can you send in any small boxes—tissue boxes, cup a soup boxes, and small cereal boxes.

Ms Douglas

We are really happy to share the news that Ms Douglas got married on Sunday. I am sure you will all wish her well and many years of happiness with her new husband. Congratulations Ms Douglas!

Information and reminders

- Our Harvest festival is this week and once again we are collecting for Canterbury Food Bank. Please bring in any donations that you can by the end of next week. A few things they are desperately in need of is: boxes of cereal, baked beans, instant noodles, tinned pasta, shower gel, biscuits, jam and peanut butter. Thank you for your continued support and donations.
- If your child(ren) go to CASH and you need to contact the CASH staff after the school office has shut, please ring— **01227 720320**. This number can also be found on our website under: About us—contact details— CASH telephone number.
