

A message from the Head of School to Parents...

Families week

Last week, we celebrated our families, so thank you for providing information for the children to make their family trees. The week ended with Grandparents joining us for some sandwiches and cakes, we loved sharing our school with them and we hope they enjoyed it too!

Pupil quotes from our assembly

"A family is a group of people who care about each other"

"Families don't have to be blood related as long as they love each other"

"Not all families look the same, they doesn't mean they are not a family"

Cash Club/ Breakfast Club

If your child attends CASH Club they will be added to the register for the same days currently booked in September. Please contact the office if you want to make any changes, thank you.
